Welcome to Privilege

This booklet tells you all about your car insurance

About the policy

The **policy** is made up of:

- › This booklet.
- › Your **car insurance details**.
- › Your **certificate (or certificates) of motor insurance**.

If the **policy** includes Green Flag breakdown cover:

- › Your breakdown cover and your car insurance are part of the same **policy**.
- › The **policy** also includes the Green Flag policy booklet we've given you.

If you have a **policy** that includes DriveXpert:

- › The **policy** also includes the DriveXpert terms and conditions we've given you.

Please read all these documents carefully and keep them safe in case you need them.

Words in bold type

Some of the words and phrases we use in this guide have a specific meaning – for example, **your car** or **modifications**.

We've highlighted these words using bold type. You can find the exact meanings of these words in the 'Glossary' on page 4, or at the start of each section.

Comprehensive with DriveXpert

If you have a Comprehensive with DriveXpert **policy**:

- › Your cover is the same as a Comprehensive **policy**.
- › Wherever Comprehensive is mentioned in this policy booklet, this also applies to you.

FAQs

How much will you pay if my car is damaged?

If **your car** is damaged, we'll pay the cost of repairing or replacing **your car** up to its UK **market value**. This is the current value of **your car** at the time of the claim. It may be different to the amount you paid or any amount you provided when you insured **your car** with us.

Who is covered to drive other cars?

Your **certificate of motor insurance** will show who has cover to drive other cars. We'll only cover injury to third parties, or damage caused to their property, not to the car being driven. See 'Section 1: Liability to other people' on page 10.

Am I covered if I leave my car unlocked or the keys in the car?

We won't pay a claim for theft if **your car** is left:

- › Unlocked.
- › With keys or key fobs in, on, or attached to the car.
- › With the engine running.
- › With a window or roof open.

What's not included in my cover?

Your insurance is designed to cover you if you're in an incident or **your car** has been stolen or damaged. We don't cover things like:

- › Breakdowns (unless you've purchased Green Flag breakdown cover).
- › Mechanical or electrical failure.
- › Wear and tear.
- › Damage to tyres caused by braking, punctures, cuts or bursts.

We won't provide cover if **your car** is being used:

- › By someone who's not insured on the **policy**.
- › By someone who's disqualified from driving.
- › For a purpose that's not allowed on the **policy** (as shown on your **certificate of motor insurance**).

You can find full details of what's not covered by the **policy** in each cover section, and in 'Losses we don't cover' on page 26.

Does Privilege have approved repairers?

Yes, we have a national repair network of **approved repairers**. If you use one of these, they'll deal with all aspects of your repair.

What is DriveXpert?

DriveXpert is our telematics insurance product. It's designed to capture how, when and where **your car** is driven, based on driver monitoring technology. We use it to understand your driving style and give you feedback. This means we can base your premium on your driving record.

What's the difference between commuting and business use?

Business use provides cover for driving in connection with a business or employment. Your **certificate of motor insurance** will show if your **policy** includes business use and the type of business use you have.

Commuting is driving to and from a permanent place of work, for either part of the journey, or for the whole journey. This includes driving to and from a car park, railway station or bus stop as part of your journey to and from a permanent place of work.

Can I use my car abroad?

If you want to use **your car** abroad, your cover depends on the type of **policy** you have and where you're driving. You can find full details in 'Where you can drive' on page 25.

You may need a green card if you're travelling abroad. If you need one, please get in touch.

We also recommend you take a European Accident Statement (EAS) with you. You can get one at <https://assets.privilege.com/eas-form.pdf>

Are my electric car's charging cables covered?

Your home charger and charging cables are considered an accessory to **your car**. This means they're covered under 'Section 2: Fire and theft' or 'Section 4: Accidental damage' of your **policy**.

You're also covered for any accidents to others involving your charging cables when they are attached to your car. For example, someone tripping over your cable as long as you have taken due care to prevent such an accident. See 'Section 1: Liability to other people' on page 10.

Is my electric car battery covered?

Your car's battery is covered if it's damaged as a result of an insured incident. This cover applies whether your battery is owned or leased.

Making a claim

If you need to claim

These steps will help you and enable us to process your claim quickly.

The different types of claim

Windscreen damage

If you need to make a claim for windscreen damage, please get in touch with our windscreen damage team on 0800 328 7471.

Legal claims

If you have Motor Legal cover and you're in a motor contract dispute or being prosecuted for a motoring offence, please get in touch with our motor legal helpline on 0345 878 8731. See 'Section 7: Motor Legal Cover' on page 17 for more about the issues we can help you with.

All other claims

If you need to claim for anything else, please get in touch with our general claims team straight away on 0345 246 8539.

We need to know about any incident, loss or damage as soon as possible.

Our claims advisers can take all the details from you and tell you what you need to do.

If somebody else might make a claim against you, or is already doing this

You should also let us know if you think someone else might make a claim against you, or is already doing this – even if you're not going to claim yourself. For example, if you hit another car, the other person may want to claim against you for the damage.

How it works

To get the ball rolling, we'll need to know things like:

- › Your personal details.
- › Your **policy** number.
- › **Your car** registration number.
- › A description of the loss or damage.
- › If you've been in an accident, the other driver's details.

Please have these handy when you get in touch.

Other information you need to send us

If you get any communication such as any notice or form from a court, any threat of legal action or similar, please contact us straight away. We'll deal with it or tell you what you need to do. You must also give us any other relevant information, documents or help we might need to process your claim, and pay any charges for sending such information.

Avoid increasing the amount claimed

You must not do, or refrain from doing, anything that would increase the amount of the claim without our written permission. For example, admit liability for, or negotiate to settle, any claim.

Paying the excess

For some claims, you'll need to pay an **excess**.

You can find your **excesses** on your **car insurance details**. Each driver may have different **excesses**.

We won't charge an **excess** if:

- › You're in an accident that we believe is not your fault. Sometimes you may have to pay the **excess** while we're looking into the claim, but we'll refund it once it's proven you're not to blame.
- › **Your car** is stolen from a private locked garage.

If you're leasing your car or buying on hire purchase

If **your car** can't be repaired and you're leasing it, we'll pay any claims to the lease company, because they are the legal owners of the car.

If **your car** can't be repaired and you're buying it on hire purchase or a similar agreement, we'll pay any claims to the legal owner. We'll only pay any remaining balance to you if you have the option to become the full owner at the end of the agreement.

How repairs and replacements work

This page explains how we'll repair **your car**. We'll only do this if it makes financial sense for us to do so. For more details see:

- › Section 2: Fire and theft on page 11.
- › Section 4: Accidental damage on page 13.
- › Section 5: Windscreen damage on page 14.

Repairs to your car

If our **approved repairer** carries out the repairs, you do not need an estimate, and you will benefit from our 5-year Guarantee. This means parts, materials and workmanship provided by our **approved repairer** are guaranteed for five years, unless you sell **your car** or end your lease. **Your car** will not qualify for repair under our 5-year Guarantee if the cause is a lack of maintenance, wear and tear, or a subsequent incident.

Where we have agreed with you, reasonable and necessary repairs can be carried out at a repairer of your choice. However, you must give us full details of the incident and we must approve the repairer's detailed assessment of the repairs before the work begins. We may then make the arrangements for the repairs ourselves.

Where the repairs are carried out at a repairer of your choice, those repairs will NOT be guaranteed by us even though we may pay for them directly. For the purposes of this **policy**, those repairs will not be treated as being carried out by our **approved repairer**.

If there is a problem with any aspect of the repair, your first port of call is the repairer who did the original work. If you're still unhappy with any aspect of the repairs, please let us know.

Windscreen repairs

If you arrange windscreen repairs or replacement with someone who isn't an **approved windscreen supplier**, you don't need to get our approval beforehand. However, we'll only cover a limited amount – see 'Section 5: Windscreen damage' on page 14.

The **excess** amounts for windscreen repairs and replacement are shown on your **car insurance details**.

Replacing parts in your car

We may decide to repair **your car** with parts that haven't been made by **your car's** manufacturer, but that are of a similar standard. This can include recycled parts. If any part or accessory is not available, the most we'll pay for that part will be the cost shown in the manufacturer's last UK price list (plus reasonable fitting costs).

Removing, delivering and storing your car

If we're dealing with your claim under sections 2 or 4 of your **policy** and **your car** can't be driven, we'll cover reasonable costs to take it to the nearest suitable repairer.

We'll help you and your passengers make arrangements to get home, to your original destination or take you to a safe place.

We'll also cover the reasonable cost of delivering **your car** to you (at the address shown on your **car insurance details**) after it's repaired.

If we need to put **your car** into safe storage at any time, we'll cover the reasonable cost of storage.

If your car is written off

If **your car** is **written off**, and we choose to settle your claim on that basis, you'll still need to pay us your premium in full. This is because we've carried out our responsibilities to you as your insurer.

Once we settle your claim:

- › **Your car** will become our property, and you must send us the registration document.
- › We'll put your insurance cover on hold – unless we agree something different with you.
- › If you pay annually, we won't refund any of your premium.
- › If you pay by monthly instalments under a credit agreement, you must pay us both of the following:
 - All instalment payments that you owe under the credit agreement but haven't yet paid, including any payments that are in arrears.
 - The total remaining balance under the credit agreement, including instalments that haven't become due up to this point.

If we agree to pay your claim and you haven't paid these amounts, we may take the total that you owe us off the amount payable to settle the claim. Alternatively, we may write to you asking you for full payment.

What your cover includes

We'll provide cover up to the amounts shown below, depending on the type of claim and the level of cover. Please see under each section for further details and any restrictions. If the section of your **policy** you are looking to claim under includes an **excess**, we'll pay you up to the amount shown in the table after your **excess** has been deducted.

We'll cover you if you're found to be legally responsible for an accident.

What we'll do

We'll provide cover:

If you cause an accident

We'll provide cover if you're found to be legally responsible to other people for an accident involving **your car** that:

- › Injures or kills someone, and/or
- › Damages someone else's property.

This includes accidents caused by:

- › A **trailer** or vehicle you're towing.
- › Any electric charging cables when attached to **your car** as long as you have taken due care to prevent such an accident.

We'll provide cover up to the amounts shown in 'What your cover includes' on page 8.

If the main driver is driving another car

The **main driver** may be covered for liability to others when driving another car. If they're covered:

- › You'll see this on your **certificate of motor insurance**.
- › When the **main driver** drives any other car, we'll provide the same cover as 'If you cause an accident' above, as long as:
 - They aren't covered by another insurance policy.
 - They don't own the other car.
 - The other car isn't hired to them under a hire-purchase or leasing agreement.
 - The owner of the car they're driving gives their permission.
 - The car they're driving is registered within the **territorial limits** (UK, Isle of Man or Channel Islands) or in the Republic of Ireland.
 - You still have **your car** and it hasn't been damaged beyond cost-effective repair.

Check your certificate of motor insurance to see if the main driver is covered for liability to others when driving another car.

If someone needs emergency medical treatment

We'll cover emergency medical treatment if it's our responsibility under the **Road Traffic Act**.

If you claim for emergency medical treatment only, you won't lose your No Claim Discount.

If you have to go to court

If there's an accident covered by this **policy**, we may pay reasonable legal costs or expenses to defend or represent you or any driver covered by this **policy**:

- › At a coroner's inquest or fatal accident inquiry.
- › In criminal proceedings to do with the accident.

It's up to us whether we do this. If we do, we must agree to all legal costs or expenses beforehand in writing. If we agree to pay these legal costs or expenses, we'll tell you how much we're willing to cover.

Cover for other people

We'll also cover any of the following people for their liability to others:

- › Anyone insured by this **policy** to drive **your car**, if they have the **policyholder's** or **main driver's** permission.

We can choose to either repair or replace your damaged, lost or stolen **car keys** and the locks they fit, including any locksmith charges.

You must take all reasonable steps to protect your **car keys** from loss, theft or damage.

If your keys are stolen, you'll need to pay the theft **excess**. You'll need to report this theft to the police and provide us with the crime reference number.

If your keys are lost or damaged, you'll need to pay the accidental damage **excess**.

Car security We'll provide cover to reprogram immobilisers, infrared handsets and alarms.

Car hire If you can't drive **your car** because of damaged, lost or stolen **car keys** and have our Guaranteed Hire Car Plus cover, we'll extend this cover while you're unable to use **your car**. See 'Section 8: Guaranteed Hire Car Plus' on page 22.

Driving abroad We'll cover lost or stolen keys if this happens while you're driving **your car** abroad, so long as:

- › You have Comprehensive cover and you've added 'foreign use' to your cover (this will be shown on your **car insurance details**).
- › You have Comprehensive Plus cover, where 90 days of foreign use cover is included in this cover level for each insured period.

You'll need to get in touch to arrange your foreign use cover before you travel.

You'll need to replace your **car keys** and send the receipts to us. We'll then reimburse the cost.

You're not covered for

- ✗ There's no cover if anyone in your family or living or staying at your home address takes your keys without your permission, unless you've reported it to the police and have a crime reference number.
- ✗ We don't cover any reduction in **your car's market value** because of lost or stolen keys.
- ✗ We don't cover losses that aren't directly due to your keys being damaged, lost or stolen. For example, we don't cover loss of use or earnings.

Section 5: Windscreen damage

Windscreen damage

We'll help put things right if the glass in your car is damaged.

What we'll do

We'll:

- › Replace or repair broken glass in the windscreen, sunroof or windows of **your car**.
- › Repair any scratching to the bodywork caused by the broken glass, so long as there wasn't any other loss or damage to **your car**.
- › If **your car** has a folding roof, we'll replace the roof and rear windscreen assembly together, if this is more cost-effective than replacing the glass alone.

How much am I covered for?

- › If you use an **approved windscreen supplier** for repairs or replacement, we'll pay up to the **market value**.
- › If you choose a different supplier for repairs, we'll pay up to £40.
- › If you choose a different supplier for replacement, we'll pay up to £125.

If your claim is only for windscreen damage, you won't lose your No Claim Discount.

Section 6: Personal benefits

Personal benefits

The other cover you have as part of your car insurance.

New car replacement

If your new car is stolen or **written off**, we'll replace it with one of the same make and model.

When you'll get this cover

We'll provide this cover so long as:

- › You're the first and only registered keeper.
- › If you have Comprehensive cover, **your car** is less than 1 year old when it's stolen or damaged.
- › If you have Comprehensive Plus cover, **your car** is less than 2 years old when it's stolen or damaged.

What we'll do

We'll replace **your car** with one of the same make and model if it has:

- › Been reported as stolen to the police and has not been found.
- › Suffered damage that this **policy** covers, and the cost of repairing it is more than 60% of the last UK list price (including taxes).

We can only do this if a replacement car is available in the UK, and so long as anyone else with an interest in **your car** agrees.

If a suitable replacement car is not available, or **your car** was not supplied as new in the UK, we'll pay you the **market value** of **your car** at the time it was stolen or damaged. We'll take any **excess** off the amount we pay you. If we settle a claim this way, the lost or damaged car becomes our property, and you'll need to send us the registration document.

Medical expenses

If **your car** is in an accident and people are injured, we'll cover medical expenses if needed. This is so long as no other car insurance policy covers the cost. We'll cover up to the amounts shown in 'What your cover includes' on page 8.

Hotel expenses

If you cannot drive **your car** after an accident or loss that's covered under section 2 or 4 of this **policy**, we'll pay towards the cost of hotel expenses for an overnight stay if necessary:

- › For Comprehensive, we'll pay up to £250.
- › For Comprehensive Plus, we'll pay up to £300.

The limit is the total we'll pay for everyone in the car.

Personal belongings

We'll pay for personal belongings if they're lost or damaged by fire, theft, attempted theft or accident while they're in or on **your car**. We'll cover up to the amounts shown in 'What your cover includes' on page 8.

If you ask us to pay someone else, we'll have no further responsibility to you once we've done this.

You're not covered for:

- ✗ Money.
- ✗ Credit or debit cards.
- ✗ Stamps.
- ✗ Tickets.
- ✗ Vouchers.
- ✗ Documents.
- ✗ Securities (such as share or Premium Bond certificates).
- ✗ Goods or samples for a trade or business.
- ✗ Any property that's insured under any other policy.

Personal accident

What we'll do

If you or your **partner** are accidentally injured while travelling in or getting in or out of any car, we'll pay you or your legal representatives up to the amounts shown in 'What your cover includes' on page 8.

We'll do this if the injury from this incident causes any of the following within three calendar months:

- › Death.
- › Total irrecoverable loss of sight in one or both eyes.
- › **Loss of any limb.**

How much am I covered for?

We'll cover up to the amounts shown in 'What your cover includes' on page 8.

We'll only pay out once in any **period of insurance**.

You're not covered for

- ✗ We won't cover:
 - Any injury or death caused by suicide or attempted suicide.
 - Anyone who is convicted for driving while under the influence of drink or drugs at the time of the accident.
 - Any injured person if we insure them against personal accident under another car insurance policy.

Uninsured Driver Promise

If you claim for an accident that isn't your fault, and the driver of the vehicle that hits **your car** is uninsured, you won't lose your No Claim Discount or need to pay an **excess**.

What we need from you

If this happens, you'll need to give us:

- › The registration number, make and model of the vehicle that hit you.
- › The driver's details, if possible.
- › If available, the names and addresses of any independent witnesses.

While we're looking into your claim

While we're looking into your claim, you may have to pay your **excess**. Also, if you renew during this time, you may temporarily lose your No Claim Discount. Once we confirm that the accident was the fault of the uninsured driver, we'll repay your **excess**, restore your No Claim Discount, and refund any extra premium you've paid that was solely due to this claim.

Section 7: Motor Legal Cover

About Motor Legal Cover

We'll cover your Costs if you need to take legal action or defend yourself in court. We will only provide this cover if your claim has a reasonable chance of succeeding for the duration of the claim.

This cover is included with Comprehensive Plus. It's an optional extra for Third Party, Fire and Theft, and Comprehensive. Check your car insurance details to see if you're covered.

Examples of the uninsured losses you may claim for include:

How much am I covered for?

We'll provide cover up to the amount shown in 'What your cover includes' on page 8. The amount shown includes any VAT payable, and is the most we'll pay for all claims, including any appeal or counterclaim to do with the same incident.

You're not covered for

- ✘ We don't cover:
 - Legal claims for any loss or damage that's already covered by this **policy** or any other insurance policy.
 - Claims that are to do with an incident that happened before your cover started.
 - Any **costs** that we haven't agreed to, or any **costs** that relate to the period before we accept your claim.
 - Fines, penalties, compensation or damages you're ordered to pay by a **court**.
 - Any dispute with us under Motor Legal Cover. However, if you have a complaint, please see 'If you have a complaint' on page 34.
 - Any appeal or enforcement action, unless we provided cover for the original claim.
 - Psychological injuries or mental illness, unless they were caused by something covered by the **policy** that also caused you physical injury.
 - Action against another person insured by this **policy**, if that person was to blame for the accident.

If you're prosecuted for a motoring offence

- ✘ We don't cover any offences to do with:
 - Parking, obstruction or waiting.
 - Drink or drugs.
 - Vehicle tests, such as the MOT.
 - Driving unroadworthy vehicles.
For example if **your car** has:
 - tyres that are below the legal limit

 - Driving licences or vehicle documentation.
- ✘ We don't cover any prosecution if either of the following applies:
 - You were driving without valid motor insurance.
 - You're already covered under Liability to other people – see 'Section 1: Liability to other people' on page 10.

If you're in a motor contract dispute

- ✘ We don't cover any claim if the amount in dispute is less than £250 including VAT.

 - The sale of **your car**, its spare parts or **accessories**, if the person who entered into the contract is not the owner.
 - Loans, borrowing or other financial services contracts.

Making Motor Legal Cover claims

Accepting your claim

Before we cover your **costs**, we must accept that you have a valid claim.

We'll only accept your claim if:

- › The incident happened within the UK, Channel Islands or Isle of Man – except where covered **abroad**.
- › You were covered on the **date of incident**.
- › The legal proceedings will happen in a **court** within the UK, Channel Islands or Isle of Man – except where covered **abroad**.

Following the policy terms

You must do all of the following:

- › Comply with all of the **terms** and conditions of this **policy**.
- › Take all reasonable precautions to minimise the cost of claims.
- › Take all reasonable precautions to prevent a claim from happening.

If you haven't followed any of the **terms** and conditions of this **policy**, and this prejudices our position, we have the right to:

- › Refuse or withdraw from the claim.
- › Refuse to cover **costs** – even if we've already agreed to them.
- › Ask you to reimburse **costs** that we've already paid.

Choosing who represents you

You can choose an **appointed representative** to look after your interests. This will include looking after your interests in any inquiry or other **court** proceedings, or if there's any conflict of interest. Your **appointed representative** can be:

- › From a **preferred law firm** that we suggest.
- › Your own choice of **appointed representative** – however you can't choose your own **appointed representative** if it's a contract dispute until it's necessary to take your claim to **court**, or if there's a conflict of interest.

If you choose an **appointed representative** who isn't from a **preferred law firm**, they must agree to our **terms of appointment**. We'll only cover their **costs** from the date they agree to our **terms of appointment**.

You'll have a separate contract with your **appointed representative**. If they charge any **costs** that we don't agree, you'll be responsible for paying these.

Checking whether your claim has a reasonable chance of succeeding

Before we go ahead, we must agree with your **appointed representative** that your claim has a **reasonable chance of succeeding**. We will only provide this cover as long as we and your **appointed representative** agree your claim has a **reasonable chance of succeeding** for the duration of the claim. This can change during your claim.

We can refuse to continue paying **costs** if we or the **appointed representative** consider that the **costs** would be disproportionate to the value of the claim.

If there are conflicting opinions about whether your claim is likely to succeed, we'll ask you to get an expert opinion from a barrister. We'll agree which barrister with you.

If the barrister agrees with you, you won't need to pay for their advice. If they don't agree with you, you'll have to pay the **costs** for their advice.

Co-operating with us and your appointed representative

We can contact your **appointed representative** at any time, and they must co-operate with us.

You must:

- › Co-operate with us and your **appointed representative**.
- › Get our agreement before instructing a barrister or an expert witness.
- › Keep us and your **appointed representative** up to date with any developments to do with the claim.
- › As soon as possible, give us and your **appointed representative** any information, evidence and documents that you have or know about.
- › Tell your **appointed representative** to give us any documents, information or advice that they have or know about, if we ask.

You must not take any action that hasn't been agreed by us or your **appointed representative**.

If your appointed representative refuses to continue acting, or if you dismiss them

If either of the following happens, we'll end cover for your **costs** immediately, unless we agree to a different **appointed representative**:

- › Your **appointed representative** stops acting for you with good reason – for example, you behave dishonestly while dealing with your claim.
- › You dismiss your **appointed representative** without good reason – for example, you disagree with their legal advice.

Settling or ending your claim

Offers to settle your claim

You must tell us if anyone:

- › Offers to settle your claim.
- › Makes a payment into **court**.

If you refuse to accept an offer or payment that we or your **appointed representative** think you should accept, we can refuse to cover any further **costs**.

Approval to settle or end your claim

Unless we agree, you must not:

- › Stop, settle, negotiate or withdraw your claim.
- › Dismiss your **appointed representative**.

We won't withhold our agreement to take these actions without good reason.

When we might choose to settle your claim

We can settle your claim outside of **court** if we think it makes financial sense to do this. We'll do this by covering you for:

- › The amount you're likely to be awarded by a **court**.
- › The equivalent financial value, if your claim is not for damages.

Checking costs

We have the right to have **costs**:

- › Certified by an appropriate professional body.
- › Checked by an auditor (for example a costs draftsman) that we choose.
- › Assessed by a **court**.

Recovering costs

If your **costs** can be recovered from somewhere else, you must tell your **appointed representative** to do this. If we've paid **costs** that you then recover, you must pay the money back to us.

We'll share recovered **costs** with you if:

- › We refused to cover further **costs** and you paid more **costs** to end your claim.
- › You paid the difference between the **costs** we offered your **appointed representative** and the **costs** they charged.

We'll split any recovered **costs** to reflect who paid **costs** originally. For example, if you paid 60% of the original **costs**, you'll receive 60% of the recovered **costs**.

Section 8: Guaranteed Hire Car Plus

About Guaranteed Hire Car Plus

We'll give you a hire car of a similar physical size to yours, if your car is damaged in an incident, written off or stolen.

This cover is included with Comprehensive Plus. It's an optional extra for Comprehensive. Check your car insurance details to see if you're covered.

Please note you can't add this option if you have Third Party, Fire and Theft cover alone.

Words with a specific meaning

When we use these words or terms in this section they have these specific meanings (unless we say differently).

Driveable If you have an accident or need to claim, **your car** is driveable if:

- › It's legal to drive.
- › It's roadworthy.
- › You've agreed with us it's safe to drive.

Similar physical size A **hire car** up to a Class F for cars with 5 seats, or up to a Mini MPV for cars with 7 or more seats. The **hire car company** will define the class of car.

What we'll do

Guaranteed Hire Car Plus is designed to keep you mobile while **your car** is being repaired, by providing you with a **hire car** that's a similar size to your own. You may also have access to the car for longer than if you only have **courtesy car** cover.

We'll always try to provide you with a **hire car** that's a **similar physical size to your car**, but sometimes one may not be available. We cannot guarantee that your **hire car** will be the same as **your car** in terms of its size, type, value or status.

When am I covered?

If we're dealing with your claim under sections 2 or 4 of your **policy**, we'll arrange for a **hire car company** to provide you with a **hire car** when both of the following apply:

- › **Your car** is damaged because of an accident, fire or theft, or if it's stolen and not recovered.
- › The loss or damage happens within the **territorial limits**.

How much am I covered for?

If your car can be repaired, and is driveable

We'll provide you with a **hire car** from the point **your car** goes in for repair:

- › If you use our **approved repairer**, until they've repaired **your car**.
- › If you use your own repairer, for up to 21 days in a row while they're repairing **your car**.

If your car can be repaired, and is not driveable

As soon as you've confirmed that we can start the repair, we'll provide you with a **hire car**:

- › If you use our **approved repairer**, until they have repaired **your car**.
- › If you use your own repairer, for up to 21 days in a row while they're repairing **your car**.

If your car is written off, or is stolen and not recovered

We'll provide you with a **hire car** for whichever is shortest of these two periods:

- › Up to 21 days in a row.
- › Up to 5 days after our first (or only) payment has been issued to settle your claim.

If we cannot provide you with a hire car

If we cannot provide you with a **hire car** because any of the following applies, we'll repay your travel costs up to £50 a day, up to a maximum of £500 if:

- › You're injured during the accident in a way that prevents you from driving.
- › **Your car** has been professionally adapted to carry a disabled driver or passenger, and a suitable **hire car** is not available.
- › There are no **hire cars** available, and no alternative cars are available for hire.

We'll do this so long as this happens when you're driving within the **territorial limits**.

You can use this benefit any time in the 21 days following your claim. You'll need to pay the costs up front, and then send us your receipts or proof of travel. We can only pay you back once we receive these.

Paying a deposit

When you collect your **hire car**, the **hire car company** may charge you a refundable deposit. When you return the **hire car**, this deposit will be refunded to you. This will be covered by the **hire car company's** terms and conditions.

You're not covered for

- ✗ We won't provide you with a **hire car** if you're only claiming for windscreen or glass damage.
- ✗ We'll only pay for your **hire car** for the shortest of the following periods:
 - The hire period.
 - More than 5 days after our first (or only) payment has been issued to settle your claim.

Using your hire car

You may only use the **hire car**:

- › While **your car** remains off the road or being repaired as a result of an accident, fire or theft covered by this section of your **policy**.
- › Within the **territorial limits**, unless the **hire car company** gives you permission and appropriate insurance cover to use it elsewhere.

The **hire car company's** terms and conditions apply as well as ours. They'll give you a copy of these when you collect the **hire car**. If there's any conflict between our **terms** and conditions and the **hire car company's**, our **terms** and conditions will apply.

How you're insured while using your hire car

While you're driving the **hire car** during the hire period, it's insured under your **policy**. We'll cover any claim for injury, loss or damage in line with your **policy**, so long as the driver, or the person last in charge of **your car**, is named as a driver on your **certificate of motor insurance**.

If we need to pay a claim for loss or damage to the **hire car**, we'll pay this to the **hire car company**. If you have an **excess** on your **policy**, you'll need to pay this.

If you cancel your Guaranteed Hire Car Plus cover

If you cancel your Guaranteed Hire Car Plus within 14 days of either your cover starting, or receiving your documents (whichever is later), we'll return any premium you've paid. We'll do this so long as we haven't provided you with a **hire car** during that time.

If you cancel your Guaranteed Hire Car Plus after this 14-day period, we'll give you a refund that reflects the number of days of cover you've had, unless we've provided you with a **hire car** during that time. If we've provided you with a **hire car**, you'll need to pay the Guaranteed Hire Car Plus premium for the whole **period of insurance**.

Section 9: Protected No Claim Discount

About Protected No Claim Discount

You'll keep your No Claim Discount (NCD) if you make a claim, unless you make more than 2 claims in 3 years.

Protected NCD doesn't guarantee your premium, this may still increase if a claim is made.

This is an optional extra for Third Party, Fire and Theft, Comprehensive and Comprehensive Plus. Check your car insurance details to see if you're covered.

How it works

Once you have a minimum of four years' worth of No Claim Discount (NCD), you may be able to protect it by paying an additional premium. We'll let you know when you're able to do this.

Protected No Claim Discount means that you can make up to 2 claims in 3 years of insurance in a row, and this won't affect your NCD.

For more information, including a table showing what happens to your NCD if you claim, please see your **car insurance details**.

Other conditions you need to know about

Following the policy terms

We'll only provide the cover set out in this **policy** if you keep to all the **terms** and conditions of the **policy**.

This includes Guaranteed Hire Car Plus or Motor Legal Cover if you have purchased these.

Providing accurate information

You must ensure that all information given to us is correct and complete to the best of your knowledge at all times. This includes information about all drivers under the **policy**.

If you don't provide correct information or inform us of any changes, this could invalidate your **policy** or mean we don't pay claims in full or at all.

- › Make sure **your car** is roadworthy.

If you don't provide correct information or inform us of any changes, this could invalidate your **policy** or mean we don't pay claims in full or at all.

Fraud

You must be honest in your dealings with us at all times.

We won't pay a claim that is in any way fraudulent, false or exaggerated. If you, any person insured under this **policy**, or anyone acting on your behalf attempts to deceive us, or knowingly makes a fraudulent, false or exaggerated claim, we may:

- › Cancel your **policy**.
- › Reject your claim and any following claims.
- › Keep any premium you have paid.

People involved in this contract

This **policy** is a contract between the **policyholder** and U K Insurance Limited. Nobody else has any rights they can enforce under it, except under the **Road Traffic Act** or anywhere else under applicable law.

Car registration

Your car must be registered within the **territorial limits**.

Car sharing

The **policy** covers anyone insured to drive **your car** as part of a car sharing arrangement, carrying passengers for payment. This is so long as:

- › **Your car** isn't made or adapted to carry more than 8 passengers and a driver.
- › You're not carrying the passengers as part of a business.
- › You're not making a profit from the passengers' payments.

If you're not sure whether we'll cover **your car** if it's used as part of a car sharing arrangement, please get in touch.

When we can act on your behalf

We're entitled to do either of the following:

- › Take over and carry out the negotiation, defence or settlement of any claim in your name, or in the name of any other person covered by this **policy**.
- › Start legal proceedings in your name, or in the name of any other person connected to this **policy**. This can be for your benefit or our own benefit.

How the policy works

Telling us about changes

Before your cover starts

You must tell us if anything has changed since you received your quote. For example, you must tell us if:

- › Anything about **your car** changes.
- › You or any other driver have any claims or convictions that you haven't already told us about.
- › There are any changes to how **your car** is used, for example if you change from social, domestic and pleasure use to business use.
- › There are any **modifications** made to **your car** (see 'Modifications to your car' on page 28).
- › You want to add another driver to the **policy**, or make any other change to who can drive **your car**.
- › You want to change to a higher level of cover, for example from Third Party, Fire and Theft to Comprehensive.

After your cover starts

You must tell us as soon as possible if:

- › You change the address where **your car** is normally kept overnight.
- › Anyone covered by the **policy** changes their occupation.
- › Anyone covered by the **policy** passes their driving test.
- › Any contact details change, for example, your email address.
- › Any other **policyholder** details change. You can see the details we have on your **car insurance details**.

These changes may mean we need to increase or reduce the premium.

Before renewal

You must tell us about any incident or motoring offence that's happened since your cover started. For example, if anyone covered by the **policy** has had:

- › Any motoring convictions, endorsements, penalty points, fixed penalties (excluding parking penalties), speed camera offences or disqualifications.
- › Any incidents, thefts or losses, even if they didn't claim or were not to blame.
- › Any insurance cancelled by another insurer for fraud or misrepresentation.

If you don't tell us about changes

If you don't provide correct and complete information or inform us of any changes, this could invalidate your **policy** or mean we don't pay claims in full or at all.

Changing your policy

You can make a temporary or permanent change to the **policy** at any time during the year.

If you do this, you may have to pay an administration fee as well as any additional premium. Please see your **car insurance details** for more information on the administration fee.

Paying your premium

If you change your car insurance and there's an extra premium to pay, you can pay this at the time of the change, or add it to your monthly payments.

What happens if we can't collect your payment

If you pay monthly and we can't collect your monthly payment on the day it's due, we'll write to you to let you know, and ask you to make the payment.

If we don't receive payment, or you don't have a valid payment method, we may cancel the **policy**. If we do this, we'll give you at least 7 days' notice by writing to you at your latest address.

If there's a claim while you owe us money

If you've claimed, or if someone has claimed against you, while you owe us money, we may refuse your claim.

If we allow your claim, you must pay us the following:

- › All instalment payments that are due under the credit agreement but haven't been paid yet.
- › The total remaining balance under the credit agreement.

If we agree to pay your claim and you haven't paid these amounts, we may take the total that you owe us off the amount that we pay you to settle the claim.

If there's a claim while you owe us an additional premium, we may refuse your claim. If we allow your claim, we may take any additional premium off the amount we pay you to settle the claim, or we may proportionately reduce any payment we make to you.

Your right to cancel the policy or remove any optional cover

- › You can cancel the **policy**, or remove any optional cover you've added, at any time – just get in touch with us. The table below shows whether we'll charge you and how much we'll refund in each situation.
- › It's your responsibility to let anyone insured under this **policy** know that this **policy** has been cancelled.
- › If you cancel your Direct Debit payments, this won't cancel the **policy**. We'll ask you to pay the money you owe.
- › The cooling-off period is 14 days from the **policy** start date, or when you receive the **policy** documents, whichever is later.
- › You can find the administration fee mentioned in the table below on your **car insurance details**.
- › If you decide to cancel the **policy**, we'll give you proof of any No Claim Discount. This will include any reduction due to claims you've made while insured with us. See 'Your No Claim Discount (NCD)' on page 32 for more about this. Other insurers may ask for this proof.
- › If you live in Northern Ireland, the Channel Islands or the Isle of Man, you must return your **certificate of motor insurance** to us after cancellation. This applies whether we cancel the **policy** or you cancel it.

Why we might cancel the policy

- › If you've failed to co-operate with us, or send us information or documentation as described in your **policy**, and that has affected our ability to process your claim, or deal with your **policy**.
- › If your circumstances have changed in such a way that you no longer meet our criteria for providing motor insurance.
- › If you've used threatening or abusive behaviour or language, or you've intimidated or bullied our staff or suppliers.
- › If we have good reasons to suspect fraud.

Refunding the premium

If we cancel the **policy**, we'll charge for the time you've had the **policy**, and refund the rest of the premium, unless there has been any fraudulent activity.

We won't refund any premium if you've made a claim, or if you've had a claim against you where you were at fault. You'll also need to pay us the full balance of your annual premium.

If the claim is later settled as not your fault, any refund that is due will be issued once the claim has been closed.

Your No Claim Discount (NCD)

If you don't claim on your **policy**, we'll adjust your renewal premium in line with the NCD scale that we're using at the time you renew.

However, if you claim on your **policy**, we may reduce your NCD.

4 years	2 years	Nil	Nil
5 years or more	3 years	1 year	Nil
